James is one of the most practical books of the Bible. Like the book of Proverbs, it is a book of wisdom, a collection of teachings on issues faced by ordinary Christians in everyday life. These teachings speak loudly to all those who feel torn between the competing demands of this world and their faith. This study offers “pearls for wise living” by applying the wisdom of James to the present. For anyone who has struggled to live a truly Christian life, James offers a wealth of practical solutions for handling and even sanctifying everyday circumstances.

“Once you start learning he makes you hunger for more. Jeff pulls everything you need to know out of the Bible and it all starts to make sense like it never did before.”

—Margaret A. Tirpak, NY
