**NAWAS INTERNATIONAL TRAVEL, INC**

Dear Friends,

*I invite you to embark upon the journey of a lifetime! Whether it's the first time or a return trip, to walk in the steps of Jesus will be an inspiring experience. See the stories you've read or heard over the years come alive! Reaffirm your baptism in the waters of the Jordan River*

*where Jesus was baptized. Visit Bethlehem where Jesus was born, Nazareth where Jesus grew up and worked as a carpenter and Jerusalem - the holy city that was witness to the death and resurrection of our Lord.*

*We will walk where Jesus walked and sail the waters of the Sea of Galilee as Jesus calmed the storm, walking through the Mount of Olives as Jesus prayed with His disciples or being present when Jesus turned water into wine in Cana. This is but a glimpse of the drama that will unfold as we relive the life of Christ. What better faith enriching opportunity that will make the Bible come alive than to trod the path our Savior walked. Familiar stories, names, and events of the Bible as we see for ourselves where they occurred.*

*In addition to visiting places from the scripture, our travels will take us to impressive historical destinations like Masada and the sheer wonder that is the rose city of Petra. These locations you cannot fully appreciate until you witness them in person.*

*We are proud to be using Nawas Travel to make our arrangements. The good folks at Nawas have extensive experience in taking groups to the Holy Land. They even have offices in Jerusalem and Amman to assist us. You can be confident that our flights, lodging, transports and guides will be first class!*

*There are journeys and there are spiritual pilgrimages. Being in the Holy Land impacts the mind and enriches the heart of all who visit. We would love to share this meaningful experience with you. Prayerfully consider joining us on this journey of faith. Here is your invitation to reserve a place and make this a significant highlight in your Christian pilgrimage.*

Capital of the Nabateans around 100 B.C., Petra is alleged to be the city from which Herod the Great came from and where St. Paul studied for several years. Designed to discourage its enemies, the only way one entered or left this fortress was through a narrow, twisting canyon known as the Siq. Ride a docile horse the 1 ½ miles to the entrance of the city. Soon you approach the imposing and dazzling Treasury, imbedded in the face of the mountain. Wander through this ancient Nabatean city carved out of the multihued rocks which surround its hidden valley.
